Panthers Gymnastics – www.panthersgymnastics.ca Password “tryouts”

The **Junior Olympic Regional program is part of the competitive stream.** The primary goal of this program is to introduce the young girls to the specifics of competitive gymnastics. Upon completion of required skills children may be registered into competitions at this level.

Emphasis is placed on the development of the physical, technical, and psychological aspects of training and competing. Year around commitment is mandatory for this level. **Panthers’ bodysuit and tracksuit is mandatory at this level. Registration to competitions and choreography is not included in the training fees.**
