The **Pre-competitive program**, Junior Panthers 1, is for girls aged 4-6yo training 4 hours a week. The primary goal of this program is to introduce the young gymnast to the specific preparation necessary for competitive gymnastics.

Emphasis is placed on the development of the physical, technical, artistic, and psychological aspects of training and competing. Continued assessment of these factors is done primarily by testing and by participating in two "Skill Competitions" organized by the club. **Panthers' bodysuit is mandatory at this level.**
